City Process on Cleaning Up a Homeless Encampment

1. Submit the Homeless Encampment to [MyLA311 Service Request Form](#) Check the box "Investigation", then "Homeless Encampment" - It will ask for the street address, then complete follow the steps to complete the service request form.
2. Upon submission of the service request form it will notify the Bureau of Sanitation - which will authorize a homeless encampment cleanup, as well as the Los Angeles Homeless Service Authority (LAHSA) where a field representative(s) will engage with the homeless person(s) at least three (3) times.
3. If the homeless individual(s) refuse services provided by LAHSA, the Authority will then notify the Bureau of Sanitation to process the encampment for cleanup.
4. Each Council District (i.e. Council District #13 – O'Farrell) is provided one day per month when their top five (5) homeless encampments will be cleaned up.

5. The Bureau of Sanitation then coordinates with the local police department (i.e. LAPD Hollywood Division SLO Eddie Guerra) to determine the clean up day due to safety concerns - Sanitation will not clean up without LAPD uniform presence.
6. The Bureau of Sanitation will post a 72-hour notice near the homeless encampment informing the homeless individual(s) how long they have until the City arrives to service the area.
7. The Bureau of Sanitation and LAPD arrive at the requested site (homeless encampment area) directing the homeless to move their personal belongings so that the Bureau can remove all hazardous waste, trash/debris, and powerwash the area.
8. Please note that when the Bureau of Sanitation completely sanitizes the area, the homeless individual(s) may return to the location. Of course this happens quite frequently - and the cycle continues. Please report the site again to [MyLA311 Service Request Form](#). The Bureau is not allowed to return to a location after it has been serviced, and they cannot refer to an old authorization service number. Altogether, the time it takes the City to coordinate and process an encampment is 10 to 20 days. More like one (1) month.

Any further questions, please feel free to let me know.

Thank you
